

Agreement on Academic Exchange

Between

The School of Science, Technology and Environment of the Ana G. Méndez University, Cupey Campus, San Juan, Puerto Rico (USA)

and

The Faculty of Science at Chaudhary Charan Singh University,
Meerut, India

Based on a mutual desire to promote cooperation and exchange in education and research, The School of Science, Technology and Environment of the Ana G. Méndez University, Cupey Campus located in San Juan, Puerto Rico and The Faculty of Science at Chaudhary Charan Singh University, Meerut, India agree to enter into this Agreement on Academic Exchange (hereinafter referred to as "the Agreement"). Host University will be the one where in the faculty from other university will be visiting as per MOU. Home University is one where the faculty belongs.

1. The two universities will conduct the following activities in order to realize the purpose of the agreement.
 - (1) Exchange of faculty and other staff members,
 - (2) Exchange of students,
 - (3) Planning and implementation of cooperative research projects and educational programs,
 - (4) Exchange of academic materials, publications and information.
 - (5) To organize joint workshops, conferences, seminars and lectures either in Puerto Rico or in India.
2. The activities in item one above shall be implemented through close contacts and consultations between the relevant institutions of the two universities.
3. The Host University shall try to provide affordable accommodations for visiting faculty who can pay directly to Hotels and/or Guest Houses unless otherwise agreed

- on separate cover, which will be part of this MOU.
4. All expenses of visiting faculty are the sole responsibility of the Home University and the participating faculty, unless otherwise agreed on separate cover, which will be part of this MOU.
 5. The research expenses will be met by the Host University and the research facilities shall be extended to the exchange faculty free of charge.
 6. The research publications will be joint publication out of the research conducted jointly. In case of the patents, the terms shall be decided case to case and included on separate cover, which will be part of this MOU.
 7. The Agreement shall come into effect upon signature by both universities, and remain in effect for three years. The Agreement may be renewed or amended upon mutual agreement between the two universities. In addition, each university may seek to terminate the Agreement prior to the planned date of termination, provided six months advance notice is given to the other university.
 8. The Agreement is to be drawn up in two identical copies in English with both parties retaining one copy each of the Agreement.
 9. The terms of the visiting faculty shall be mentioned in the invitation letter by the Host University.
 10. The contact persons for the MOU shall be as follows for the each side:
