

# Agreement on Academic Exchange

Between

**The Czech Technical University in Prague, Faculty of Electrical Engineering, (CTU), Prague, Czech Republic**

And

**The Faculty of Science at Chaudhary Charan Singh University (CCSU), Meerut, India**

Based on the mutual desire to promote cooperation and exchange in education and research, **The Czech Technical University in Prague, Faculty of Electrical Engineering (CTU), Prague, Czech Republic** and **The Faculty of Science at Chaudhary Charan Singh University (CCSU), Meerut, India** agree to enter into this Agreement on Academic Exchange (hereinafter referred to as 'The Agreement'). **Host University will be the one wherein the faculty from other University will be visiting as per MOU.** Home University will be the one where the faculty belongs.

1. The two Universities will conduct the following activities in order to realize the purpose of the agreement.
  - 1) Exchange of faculty and other staff members.
  - 2) Exchange of students.
  - 3) Planning and implementation of cooperative research projects and educational research programs.
  - 4) Exchange of Academic/Research materials, Publications and Patents.
  - 5) To organize joint workshops, conferences, seminars and lectures either in **Czech Republic** or in **India**.
2. The activity in item one above shall be implemented through close contacts and consultations between the relevant institutions of two Universities.
3. The Host University shall try to provide affordable accommodations for visiting faculty who can pay directly to Hotels and/or Guest Houses unless otherwise agreed on separate cover, which will be part of this MOU.
4. All expenses of visiting faculty are the sole responsibility of the Home University and the participating faculty unless otherwise agreed on separate cover, which will be part of this MOU.
5. The research expenses will be met by the Host University and the research facilities shall be extended to the exchange faculty free of charge.
6. The research publication will be joint publication out of the research conducted jointly. In case of patents the terms shall be decided case to case and included on separate cover, which will be part of this MOU.

7. The agreement shall come into effect upon signature of both Universities, and remain in effect for five years. The agreement may be renewed or amended upon mutual agreement between the two universities. In addition each university may seek to terminate the Agreement prior to the planned date of termination, provided six months of advance notice is given to the other university.
8. The agreement is to be drawn up in two identical copies in English with both parties retaining one copy each of the Agreement.
9. The terms of the visiting faculty shall be mentioned in the invitation letter by the Host University.
10. The contact persons for the MOU shall be as follows for the each side.
