## ABOUT THE CONFERENCE

The underlying sentiment behind the organization of the national seminar on the theme “Indian Language Family: Unity and Integrity”, jointly organized by the Bhartiya Bhasha Samiti and the Department of Political Science, Chaudhary Charan Singh University, Meerut, is the idea that Indian languages are, in essence, branches of a single linguistic family. Just as different members of a family share common genes, values, and emotional bonds, Indian languages similarly exhibit deep unity in grammar, phonetics, word formation, and cultural expression.

The fundamental spirit of the Indian Constitution also upholds this balance and unity among diverse languages. Through Articles 343–351 and the Eighth Schedule, Hindi has been designated as the official language while state languages have been accorded equal respect. This constitutional arrangement symbolizes balanced integration within linguistic diversity. Rather than viewing linguistic diversity as divisive, this seminar seeks to highlight its intrinsic unity. The shared roots and sentence structures in Sanskrit-derived languages stand as evidence of this unity, while the Dravidian languages reflect a shared familial heritage through Sangam literature.

The seminar will bring together linguists, political scientists, and literary scholars to deliberate on the origin of language families, migration theories, integration in the digital age, and language preservation. By weaving linguistic diversity into a thread of unity, this academic gathering aims to strengthen the process of nation-building.
