Sir/Madam,

Greetings from AIU!

In a major step towards modernizing University Sports Management, the Association of Indian Universities (AIU) is pleased to announce the official launch of AIU Sports Portal and Athlete Registration System to streamline, digitalize and enhance the overall efficiency of Inter University Sports Tournament.

The following processes shall be conducted strictly through the online portal with immediate effect:

Submission of proposals for hosting AIU sports tournaments.

Submission of General Entries and Detailed Entries for participation in AIU sports tournaments.

Accessing information regarding upcoming sports tournaments and related communications.

All other sports-related activities that were previously conducted in offline mode.

Henceforth, all such activities shall be processed exclusively through the online portal, both in the capacity of a Participating University and as a Host University.

For accessing the portal, member universities/institutes are required to generate their Login ID and Password through the following link:

**Portal Link:** <https://sports.aiu.ac.in>

In addition to the above, AIU has also introduced a dedicated **Athlete Registration Module under the portal**

## Under this system:

- All university athletes are required to register themselves on the AIU Portal.
- The registration fee shall be ₹100/- plus applicable GST at (present @18%) per athlete.
- Upon successful registration, each athlete will be issued a unique AIU Sports ID, which shall be used for all future sports-related processes.

• Once an athlete registers under a particular sport, the registration request shall be forwarded to the concerned Director/In-charge of Sports of the respective university for

Verification and approval.

- The Director/In-charge of Sports shall review and approve the registration request.
- For participation in tournaments, teams shall be constituted by the concerned university only from the pool of successfully registered and approved athletes.

It is important to note that successful registration of an athlete does not guarantee selection in the university team. Team selection shall remain subject to the university's internal selection procedures, performance standards, eligibility criteria, and other applicable regulations.

You are requested to kindly issue necessary instructions to the concerned Sports Department/Director of Sports of your university for immediate registration on the portal and for ensuring compliance with the new online system. The information may also be widely circulated among all concerned officials, coaches, and athletes of the university.

**A signed letter is enclosed for your reference.**
