Why CCS University Institutions Must Participate in Large Numbers.

This examination is fully aligned with the spirit of NEP 2020. It strengthens cultural confidence, promotes interdisciplinary learning, and offers our students a prestigious national platform with substantial cash prizes and recognition. Large-scale participation will not only benefit individual students but will also bring national visibility and institutional recognition to our University and its affiliated colleges.

I therefore request every Principal, Director, Dean and Head of Department to:

1. Immediately nominate a Nodal Officer for the examination and share the contact details with the University.
2. Widely publicise the examination among all UG and PG students through notice boards, WhatsApp groups, college websites and orientation sessions.
3. Facilitate smooth registration of students and, if interested, register the institution as an examination centre.
4. Aim for the highest possible participation so that CCS University emerges among the top institutions in the country in this national movement.

Detailed information, syllabus, book details and registration process are available at www.bharatboudhiks.com.

Let us take collective ownership of this important academic and cultural initiative and ensure that the students of Chaudhary Charan Singh University participate in the largest numbers possible.

I look forward to your enthusiastic response and wholehearted cooperation.
With best wishes,

Sincerely Yours'

Ag
